

Dr. Aamir Mirza, MBA

A long time finance and healthcare operations executive, Faris Ghani has extensive experience in setting and managing new businesses, the management of large teams across various departments and divisions, and an expert in process improvement techniques.

He has managed difficult physician practice and his efforts resulted in \$375,000 revenue retained and 95% patient satisfaction achieved. He has produced \$2.2 million in new business through physician practice acquisitions and by facilitating the transfer of technology and market opportunities.

The reason he has been successful is because he has demonstrated the ability to work with a diverse group of professionals in a leadership capacity.

His most glaring accomplishment is setting up successful healthcare businesses in the Middle East. He has worked over 8 years in the Middle East expanding and growing various medical businesses across markets such as Saudi Arabia, Dubai (U.A.E) and Qatar.
